Notification of Amendment to Input Methodologies for Specified Airport Services

Pursuant to section 52W(2) of the Commerce Act 1986 (“Act”), the Commerce Commission (“Commission”) gives notice that it has amended the input methodologies applicable to specified airport services.

Specified airport services provided by Auckland International Airport Limited, Christchurch International Airport Limited and Wellington International Airport Limited are regulated under Part 4 of the Act.

The input methodologies that have been amended are set out in the *Commerce Act (Specified Airport Services Input Methodologies) Determination 2010* (Decision No. 709, 22 December 2010).

The amended input methodologies are set out in the *Airport Services (Land Valuation) Input Methodologies Amendments Determination 2016* [2016] NZCC 3 (“Amendment”).

The Amendment comes into effect on the date of this notice.

The Amendment is part of our review of input methodologies under section 52Y of the Act, and was completed under the Commission’s “fast-track” process for review of the input methodologies specifying the application of the market value alternative use (“MVAU”) land valuation methodology for specified airport services.

The Amendment updates the input methodologies for land valuation to align them with current international valuation standards and practices, remove potential sources of ambiguity, and narrow the potential range of airport land values derived under the MVAU land valuation methodology by clarifying the starting special assumption for zoning.

The Amendment incorporates the following standards by reference in accordance with Schedule 5 of the Act:

- IVS 101 – Scope of Work;
- IVS 102 – Implementation;
- IVS 103 – Reporting; and
- ANZVGN 1 – Valuation Procedures Real Property.

Explanatory note

This notice updates the Dental Council fee schedule with effect from 1 April 2016. The changes consist of:

- Revised dental therapist, dental hygienist, orthodontic auxiliary, dental technician and clinical dental technician annual practising certificate (APC) fees and disciplinary levies, and consequential changes to the dental therapist, dental hygienist, orthodontic auxiliary, dental technician and clinical dental technician four-month APC fee.

The changes in fees and levies were consulted on (concurrently with the 2016/17 Dental Council budgets consultation) with dentists and dental specialists, dental therapists, dental hygienists, orthodontic

auxiliaries, dental technicians and clinical dental technicians and other stakeholders during December 2015 and January 2016. Following the close of the consultation period on 26 January 2016, revised 2016/17 fees and levies were approved by the Dental Council at its meeting on 9 February 2016.

Refunds of disciplinary levies are being made for the 2016/17 practising year to dental therapists, dental hygienists, orthodontic auxiliaries, dental technicians and clinical dental technicians as the balances of the disciplinary levy reserves associated with those professions are forecast to be above minimum disciplinary reserve levels as at 31 March 2016, as determined under the Dental Council's Level of Reserves policy. Only practitioners for the above-named professions, who hold a current 2015/16 annual practising certificate will receive a refund of disciplinary levies.

- An additional notice under *Education Fees* with respect to Accreditation of Degree Programmes cost recoveries as follows:

“Direct professional fees, travel, accommodation and other costs for site evaluation team members together with Council administration expenses for teleconference meetings, printing and postage etc., will be charged to the Educational Institution under review, based on actual costs incurred. This new notice was also consulted on with stakeholders during December 2015 and January 2016, and approved by the Dental Council at its meeting on 9 February 2016.

- Amendments to the Annotation of Notes with the addition of the words “and Dental Council secretariat administrative overheads”. This amendment has been made to allow the Dental Council to recover secretariat administrative overheads in the administration of practitioner programmes:

²Direct professional fees and travel and accommodation expenses for supervisors, those providing oversight, tutor/course administrators etc. and Dental Council secretariat administrative overheads are to be reimbursed by the practitioner on the individual programme. Course materials, venue costs and administration expenses such as printing and postage will be charged based on actual costs.

This amendment was also consulted on with stakeholders during December 2015 and January 2016, and approved by the Dental Council at its meeting on 9 February 2016.
