Statement of Government Policy and Directions to the Chief Executive of the Ministry of Business, Innovation and Employment

To: The Chief Executive of Ministry of Business, Innovation and Employment.

Pursuant to section 112 of the Radiocommunications Act 1989 ("Act"), I hereby give you notice of the general policy of the Government, in relation to your functions, duties and powers under section 111 of the Act and the Radiocommunications Regulations 2001 ("Regulations") and in pursuing the general policy of the Government I direct you accordingly.

General Policy

The Government's radiocommunications policy objectives are that:

- (a) There should be competition in the provision of all communication services;
- (b) in the granting of radio licences, consideration should be given to permitting a range of uses and users;
- (c) licensing of New Zealand originated short wave radio broadcasting, in frequency bands below 30 MHz allocated to broadcasting under Article 5 of the ITU International Radio Regulations, should be consistent with the foreign policy of the Government of New Zealand;
- (d) adequate provision should be made:
 - (i) for the licensing of services operated by or for Government departments and Crown agencies, where the primary objective of such services is the protection of life and property. Such provisions should be made in common frequency bands where practicable; and
 - (ii) pursuant to Regulation 9 of the Regulations and in common frequency bands where practicable, for the licensing of classes of low-powered radio transmitters;
- (e) licence fees should be reviewed at least every five years; and
- (f) when planning spectrum bands, the International Radio Regulations should be taken into account.

Directions

 - (ii) demonstrating, subject to protecting existing licensed services, the operation of new technologies;
7. Technology developments and international harmonisation decisions will affect the Government's decisions on the long term use of the frequencies listed in clause 8. In the interim, new radio licences will not be granted for services in the ranges of the frequencies listed in clause 8 except where the granting of radio licences is necessary for the purpose of:
 - (a) maintaining the coverage of services provided by existing licensees;

Notice

1. Title—This notice may be cited as the Tertiary Education (2017 Annual Maximum Fee Movement) Notice 2016.

2. Commencement—The proposed conditions outlined in this notice apply for the 2017 academic year only.

3. Proposal—I propose to specify conditions under section 159L(3)(d) that the Tertiary Education Commission (TEC) must attach to funding provided under the relevant funding mechanisms, in particular to specify:

(a) the annual limits by which Tertiary Education Organisations (TEOs) can increase fees charged to domestic students enrolled in courses that are leading to short awards, certificate, diploma, degree, and postgraduate qualifications that receive Student Achievement Component (SAC) funding for provision at Level 3 or above on the New Zealand Qualifications Framework (NZQF) in 2017 (including provision at Information and Communications Technology (ICT) Graduate Schools and provision funded through the SAC Levels 3 and 4 competitive allocation pilot); and

(b) the other conditions in relation to fees that the TEC must attach to SAC funding for provision at Level 3 or above (including provision at ICT Graduate Schools and provision funded through the SAC Levels 3 and 4 competitive allocation pilot).

4. Application—The conditions set out in this notice refer to:

(a) Fees, including the following items: tuition fees, compulsory course costs, examination fees, other charges associated with a programme of study, material charges, cost of field trips and any compulsory purchase of equipment or books through the organisation.

(b) TEOs as organisations, as defined in section 159B, include tertiary education institutions (TEIs), private training establishments (PTEs) and rural education activities programme providers (REAPs).

5. Call for submissions—Any TEO and any other person, body or organisation having an interest in the matter is invited to make a submission on the proposed Annual Maximum Fee Movement (AMFM) and other proposed conditions set out in this notice.

All submissions should be sent to:

Tertiary Education Policy
Ministry of Education
PO Box 1666
Wellington 6140
Email: tertiary.strategy@education.govt.nz

6. Date for submissions—All submissions must be received by **7 July 2016**.

Dated at Wellington this 16th day of June 2016.

HON STEVEN JOYCE, Minister for Tertiary Education, Skills and Employment.

Proposed conditions to be attached to Student Achievement Component funding (SAC) allocated and paid for by the Tertiary Education Commission (TEC) to Tertiary Education Organisations (TEOs)

General

1. These conditions apply to fees charged for SAC funding for provision at Levels 3 and above in all TEOs (including ICT Graduate Schools and the provision funded through the SAC Levels 3 and 4 competitive allocation pilot). It does not include fees for SAC-funded courses that are at Level 1 and 2 on the NZQF as set out in the

Tertiary Education Fees—Free Conditions Notice 2015 (as published in the [New Zealand Gazette, 28 May 2015, Issue No. 58, Notice No. 2015-go3051](#)) and The Tertiary Education Fees—Free (Levels 1 and 2) Conditions Notice 2016 (as published in the [New Zealand Gazette, 16 June 2016, Issue No. 54, Notice No. 2016-go3430](#)).

2. The fees associated with a particular course are subject to these conditions if:
 - (a) the TEO is the sole source of the item to which the fee relates; and
 - (b) all domestic students validly enrolled in the course are required to pay the fees.

AMFM

3. For 2017, the AMFM is a 2% increase on the fees (GST exclusive) charged in 2016 for a course that is part of a programme that leads to a qualification at Level 3 and above on the NZQF for which a TEO receives SAC funding.
4. The AMFM applies to any new courses at Level 3 and above on the NZQF established by a TEO in substitution for an existing course dealing with the same or similar subject matter, at a same or similar level on the NZQF, for which SAC funding can be used.

Exceptions to the AMFM

5. A TEO may apply for an exception from the 2017 AMFM for a SAC-funded course that is part of a programme that leads to a qualification at Level 3 or above on the NZQF on the basis of exceptional circumstances. Any exception granted will not exceed an additional 2% increase over and above the permitted 2% increase.
6. In considering exceptional circumstances, the TEC must only have regard to the following criteria:
 - (a) the TEO is unable to support the course(s) while remaining financially viable;
 - (b) for courses at Levels 3–8 on the NZQF, the completion rate for the qualification met or exceeded the median performance benchmark for that level in the previous year;
 - (c) the TEO can demonstrate that the course is in some way unique or special, for example, that there are no available local alternatives to the course; and
 - (d) not allowing an exception will prevent the TEO from making a significant contribution to the achievement of one or more of the Government's priorities, as set out in the Tertiary Education Strategy 2014–2019.
7. An application must satisfy all criteria to gain an exception.

Low or Zero Fee Courses

8. If the fees for a SAC-funded course that is part of a programme that leads to a qualification at Level 3 or above on the NZQF are less than \$511.11 (GST inclusive) (\$444.44 (GST exclusive)) per Equivalent Full-Time Student (EFTS) in 2016, then for 2017, the TEO may increase the fee to up to \$511.11 (GST inclusive) (\$444.44 (GST exclusive)) per EFTS, or can increase the fee for the course by 2%, whichever is the greater.

Note: Effect of this Notice

These notes do not form part of this notice, but are intended to indicate its general effect.

- A. Section 159L(3)(d) of the Education Act 1989 ("Act") provides that the Minister, when determining the design of a funding mechanism, may specify the conditions that the TEC must attach to funding provided under the mechanism, including conditions that limit the fees that an organisation may charge domestic students.
- B. Under section 159M(b) of the Act, the Minister may not specify conditions setting limits on fees until two months after the date of publication of a notice in the *New Zealand Gazette* that:
 - (i) states that the Minister proposes to specify such conditions;
 - (ii) sets out the proposed conditions;
 - (iii) invites submissions on the proposed conditions; and
 - (iv) specifies the date by which submissions must be received, which must be a date no more than 21 days after the date of the *New Zealand Gazette* notice.
- C. The conditions setting limits on fees subsequently specified by the Minister in accordance with section 159L(3)(d) of the Act must be imposed as conditions on funding payable by the TEC to an organisation under sections 159YA and 159ZC of the Act.
- D. Under sections 227(1A) and 234A of the Act, TEIs and PTEs respectively must not charge domestic students a fee that exceeds the maximum specified as a condition on funding approved by the TEC under sections 159YA and 159ZC of the Act.

The Tertiary Education Fees—Free (Levels 1 and 2) Conditions Notice 2016

Under sections 159L(3)(d) and 159M(b) of the Education Act 1989, the Minister for Tertiary Education, Skills and Employment gives notice of the proposed conditions setting limits on the fees tertiary education organisations may charge to domestic students from 2017.

Notice

1. Title—This notice may be cited as the Tertiary Education Fees—Free (Levels 1 and 2) Conditions Notice 2016.

2. Commencement—The proposed conditions outlined in this notice apply from the 2017 academic year.

3. Proposal—I propose to specify a condition under section 159L(3)(d) that the Tertiary Education Commission (TEC) must attach to funding provided under the funding mechanism for the Student Achievement Component – Provision at Levels 1 and 2 of the New Zealand Qualifications Framework (non-competitive allocation). HON STEVEN JOYCE, Minister for Tertiary Education, Skills and Employment.

Proposed conditions to be attached to specified funds that are allocated and paid for by the Tertiary Education Commission (TEC) to tertiary education organisations (TEOs)

1. A TEO may not charge fees to learners enrolled in courses funded by the Student Achievement Component – Provision at Levels 1 and 2 of the New Zealand Qualifications Framework (NZQF) (non-competitive allocation) unless this condition is amended under section 159YC of the Education Act 1989 to allow a fee to be charged.

Note: Effect of this Notice

These notes do not form part of this notice, but are intended to indicate its general effect.

A. The proposed condition under this notice extends the current requirement for the TEC to attach a condition on funding that a TEO may not charge fees to learners enrolled in the courses funded by the Student Achievement Component – Qualifications at Levels 1 and 2 of the New Zealand Qualifications Framework (competitive allocation) to Level 1 and Level 2 courses funded by non-competitive allocation under the relevant funding mechanism, without any age limitation.

B. Section 159L(3)(d) of the Education Act 1989 (“Act”) provides that the Minister, when determining the design of a funding mechanism, may specify the conditions that the TEC must attach to funding provided under the mechanism, including conditions that limit the fees that an organisation may charge domestic students.

C. Under section 159M(b) of the Act, the Minister may not specify conditions setting limits on fees until two months after the date of publication of a notice in the *New Zealand Gazette* that:

(i) states that the Minister proposes to specify such conditions;

- (ii) sets out the proposed conditions;
- (iii) invites submissions on the proposed conditions; and
- (iv) specifies the date by which submissions must be received, which must be a date no more than 21 days after the date of the *New Zealand Gazette* notice.

D. The conditions setting limits on fees subsequently specified by the Minister in accordance with section 159L(3)(d) of the Act must be imposed as conditions on funding payable by the TEC to an organisation under sections 159YA and 159ZC of the Act.

E. Under sections 227(1A) and 234A of the Act, TEIs and PTEs respectively must not charge domestic students a fee that exceeds the maximum specified as a condition on funding approved by the TEC under sections 159YA and 159ZC of the Act.

- 7. New Part 4 inserted**—After Part 3, insert:

Part 4

Relocation from Auckland assistance

54 Purpose of this Part

The purpose of this Part is to provide financial assistance to specified people currently residing in Auckland to relocate to another region within New Zealand and help alleviate the hardship of having to meet relocation and re-establishment costs from their immediately available resources.

55 Definitions

In this Part—

Auckland means the geographical area within the boundaries of Auckland as defined in clause 4 of the Local Government (Auckland Boundaries) Determination 2010.

household, in relation to an applicant—

- (a) means the applicant and his or her spouse or partner and dependent children (if any); and
- (b) includes any other person who is dependent on the applicant and who—
 - (i) resides with the applicant; or
 - (ii) in relation to an applicant referred to in clause 56(a)(ii), intends to reside with the applicant and who was included in the housing needs assessment for the purposes of the applicant’s eligibility for social housing.

relocate from Auckland, in relation to an applicant, means to move the place of residence of the applicant and his or her household from an area within Auckland to social housing or alternative housing

in another region within New Zealand with intent to reside in that other region for the foreseeable future; **relocation from Auckland** has a corresponding meaning.

relocation from Auckland establishment grant has the meaning in clause 60(b).

relocation from Auckland moving grant has the meaning in clause 60(a).

56 Relocation from Auckland assistance: eligibility

An applicant who meets the residential criteria is eligible to be considered for relocation from Auckland assistance under this Part if—

(a) the applicant (whether alone or together with any other person) is currently residing in Auckland and is either—

(i) a tenant of any social housing; or

(ii) a person who is awaiting allocation of social housing; and

(b) the applicant intends to relocate from Auckland, and is willing and able to do so; and

(c) in the chief executive's opinion, the relocation is likely to be sustainable.

57 Relocation from Auckland assistance: ineligibility

(1) An applicant is ineligible for relocation from Auckland assistance if—

(a) he or she has cash assets or income in excess of the cash assets limit or the income limit;

(b) he or she, or his or her spouse or partner, has previously been granted assistance under this Part; or

(c) is a person who (whether alone or together with any other person) has, within the previous 52 week period, received assistance to relocate his or her place of residence under the Employment and Work Readiness Assistance Programme.

(2) However, an applicant who has been granted assistance to relocate to Christchurch under the Employment and Work Readiness Assistance Programme is eligible to be considered for a relocation from Auckland moving grant (but not a relocation from Auckland establishment grant) if the chief executive considers that the amount of the assistance under that programme is inadequate to enable the person's household to complete the relocation.

58 Relocation from Auckland assistance: principles to be applied in exercise of discretion

In exercising the discretion to grant assistance under this Part the chief executive must have regard to—

(a) whether it is appropriate in the applicant's circumstances for the applicant to relocate out of Auckland (having regard to the services and support available or otherwise in the proposed new location); and

(b) any other matters the chief executive considers relevant.

59 Relocation from Auckland assistance: applicants with spouse or partner

If an applicant has a spouse or partner, relocation from Auckland assistance may only be granted to either the applicant or the spouse or partner but not to both, unless the chief executive considers there are exceptional circumstances.

60 Relocation from Auckland assistance: components

If an applicant is granted relocation from Auckland assistance under this Part, the grant may comprise either or both of the following:

(a) a **relocation from Auckland moving grant** to assist with the actual and reasonable costs of relocating the applicant's household from Auckland; or

(b) a **relocation from Auckland establishment grant** to assist the applicant and his or her household (if any) to re-establish in social housing or alternative housing in the other region.

61 Relocation from Auckland moving grant: moving costs defined

(1) A cost is a moving cost for the purposes of clause 60(a) only if the chief executive considers it is a cost essential for the applicant to incur for the applicant and any other person in the applicant's household to relocate from Auckland and includes—

(a) the cost of moving the household furniture, appliances and the personal effects of the applicant and any other person in the applicant's household; and

(b) the actual and reasonable costs of transport for the applicant and any other person in the applicant's household to relocate from Auckland.

(2) Without limiting subclause (1), the following costs are examples of moving costs—

(a) the costs of engaging a moving company;

- (b) the costs of hiring a truck, van, or trailer; and
- (c) actual and reasonable fuel costs.

62 Relocation from Auckland assistance: amounts and limits

- (1) The total amount of any relocation from Auckland moving grant must not exceed \$5,000.00 unless the chief executive determines there are exceptional circumstances.
- (2) The amount of a relocation from Auckland moving grant for an applicant to whom clause 57(2) applies must be set having regard to the amount of assistance the applicant has received under the Employment and Work Readiness Assistance Programme.
- (3) The amount of any relocation from Auckland establishment grant is—
 - (a) \$2,000.00 if the applicant (whether alone or together with his or her household) is moving into social housing in another region; or
 - (b) \$3,000.00 if the applicant (whether alone or together with his or her household) is moving into alternative housing in another region.
- (4) The amounts set out above are per household and are payable to the applicant or, if there is more than one applicant, to the applicants in equal shares.

63 Relocation from Auckland assistance - grant letter

- (1) If the chief executive grants relocation from Auckland assistance to an applicant, the chief executive may—
 - (a) issue the applicant with a letter stating—
 - (i) that the applicant has been granted relocation from Auckland assistance; and
 - (ii) the components and maximum amounts of that assistance (as set out in clause 62); and
 - (b) take reasonable steps to assist the applicant to understand that the establishment grant may become recoverable (as set out in clause 64).
- (2) A grant letter may contain any other information or advice the chief executive thinks fit.

64 When relocation from Auckland establishment grant becomes recoverable

- (1) A relocation from Auckland establishment grant becomes recoverable if subclause (2) applies unless the chief executive considers there are exceptional circumstances why the grant ought not to be recoverable.
- (2) This subclause applies if, within 52 weeks from the date of payment of the grant or any component of the grant—
 - (a) the applicant or his or her spouse or partner becomes or again becomes a person awaiting allocation of social housing in Auckland; or
 - (b) the assistance is not used for the purpose for which it was paid (re-establishment in the region to which the applicant moved or intended to move).
- (3) If the relocation from Auckland establishment grant becomes recoverable under subclause (1), the amount of the grant is a debt due to the Crown by the applicant for the purpose of section 85A(d)(i) of the Act.

Dated at Wellington this 9th day of June 2016.

HON ANNE TOLLEY, Minister for Social Development.

6. Clause 14 amended (Other emergency grants)—In clause 14.1, after “or service”, insert “other than Emergency Housing”.

7. New Clause 14A inserted (People in need of Emergency Housing)—After the Part 5 heading, insert:

14A People in need of Emergency Housing

14A.1 The chief executive may make a Grant to an Applicant for the supply of Emergency Housing that the chief executive considers adequate to meet the needs of the Applicant and his or her Immediate Family (an **emergency housing grant**) if the chief executive considers that the Applicant has an immediate emergency housing need, and that not providing the Grant would—

- a. worsen the Applicant’s position;
- b. increase or create any risk to the life or welfare of the Applicant or the Applicant’s Immediate Family; or
- c. cause serious hardship to the Applicant or the Applicant’s Immediate Family.

14A.2 Despite clauses 7.1 and 8.1, the chief executive may make an emergency housing grant to an Applicant whose income or cash assets exceed the appropriate limit set out in those clauses if the chief executive considers that the Applicant is in exceptional circumstances.

14A.3 An emergency housing grant must be for no more than 7 days of Emergency Housing.

14A.6 An emergency housing grant is recoverable—

- a. to the extent of the amount of any bond included in it that is not used by the Applicant for the Emergency Housing that the chief executive considered to be adequate under clause 14A.1;
- b. if the chief executive considers that—
 - i. the Applicant has failed to make a reasonable effort in the circumstances to access other sources of assistance; or
 - ii. if the Grant is the second or subsequent emergency housing grant made to the Applicant within a 52-week period, the Applicant has unreasonably contributed to the existence of the immediate emergency housing need.

14A.7 In this clause, an Applicant has an **immediate emergency housing need** if, on the date on which the Application is made or during some or all of the following 7-day period, the Applicant—

- a. cannot remain in his or her usual place of residence (if any); and
- b. will not have access to other accommodation that, in the opinion of the chief executive, is adequate for the needs of the Applicant and the Applicant’s Immediate Family.

14A.8 In this clause, **bond** means any sum of money required by the provider of the Emergency Housing as security against any loss arising from damage or a failure by the Applicant to observe and perform the Applicant’s obligations under the agreement for the provision of the Emergency Housing, and which is intended to be refunded if no such loss occurs (or to be refunded to the extent that the amount of the bond exceeds the amount of the loss).

8. Clause 15 amended (Re-establishment costs)

Before clause 15.1 insert:

15.1A Grants for Re-establishment costs not to be used for Emergency Housing

15.1A.1 No Grant under any of clauses 15.1 to 15E may be made for or towards the costs of Emergency Housing.

Dated at Wellington this 9th day of June 2016.

ANNE TOLLEY, Minister for Social Development.

Explanatory note

This note is not part of the instrument, but is intended to indicate its general effect.

This instrument, which comes into force on 1 July 2016, amends the Special Needs Grants Programme to include a new type of grant for emergency housing (“emergency housing grant”). The emergency housing grant will cover the actual and reasonable costs of emergency housing. It will be available to applicants who cannot remain in their usual place residence (if any), and who will not have access to other adequate accommodation. This includes applicants who do not meet the usual income and asset limits for accessing special needs grants in cases where there are exceptional circumstances. The initial grant can be for up to seven days of emergency housing. It can be extended if there are exceptional circumstances. The first emergency housing grant in a 52 week period will only be recoverable if it is not used for the intended purpose, or if the applicant is not making a reasonable effort to access alternative assistance. Second and subsequent emergency housing grants will also be recoverable if the applicant has unreasonably contributed to the existence of the need. However, any bond included in the emergency housing grant will also be recoverable.
