Land Transfers/Joint Family Homes

Land Transfer Act Notice

An application, under section 70 of the Land Transfer Act 1952, has been received for the removal of an easement. The applicant claims the easement is redundant by reason of the circumstances set out below.

If no objections have been received before 12 June 2017, the register will be updated to record the easement as redundant.

Application: 10752917.1.

Applicant: Green & McCahill Holdings Limited, c/o Russell McVeagh, Solicitors, PO Box 8, Shortland Street, Auckland 1140.

Easement: Water supply right over Lot 4 DP 465984 marked "B", "C", "D", "E", "G", "I", "J", "L", "O", "Q", "R" and "W" on DP 465984 (CT 621663) created by Easement Certificate B165476.10 registered on 14 April 1983 as appurtenant to part Lot 2 DP 340945 formerly Lot 2 DP 95983 (CT 168249).

Circumstances: The dominant tenement has become physically separated from the servient tenement as a result of subdivision shown on DP 100141.

Dated at the Christchurch Office of Land Information New Zealand this 3rd day of May 2017.

H. M. SIBBALD, for Registrar-General of Land.

Electricity Industry (Exemption No. 259 (Advanced Metering Assets Limited)) Exemption Notice 2017

In accordance with section 11 of the Electricity Industry Act 2010 ("Act"), the Electricity Authority gives the

following notice.

Notice

1. Title and commencement—(1) This notice is the Electricity Industry (Exemption No. 259 (Advanced Metering Assets Limited)) Exemption Notice 2017.

(2) This notice comes into force on the day after the date it is notified in the *New Zealand Gazette*.

2. Exemption—(1) Advanced Metering Assets Limited (“Advanced Metering Assets”) is exempted from complying with the metering installation certification and recertification obligations in clause 10.38 and clause 15(1) of Schedule 10.7 of the Electricity Industry Participation Code 2010.

(2) This exemption applies only to installation control point (ICP) 0800539060LCBFF.

3. Term—This exemption expires on **31 July 2018**.

4. Reasons for granting the exemption—The reasons for granting this exemption are:

- a. the recertification of the metering installation at ICP 0800539060LCBFF cannot be safely conducted unless Auckland City Hospital has an electrical shutdown, which is not a viable option due to the current design of the supply and back-up systems;
- b. the exemption is only required until Auckland City Hospital has completed a new supply connection; and
- c. granting the requested exemption meets the requirements in section 11(2) of the Act.

Dated at Wellington this 5th day of May 2017.

Bail (Drug and Alcohol Testing) Rules 2017

These rules are made under section 73AA of the Bail Act 2000 ("Act") by the Commissioner of Police, who is satisfied that they comply with section 73AAB(2) of that Act.

Notice

1. Title—These rules are the Bail (Drug and Alcohol Testing) Rules 2017.

2. Commencement—These rules come into force on (that is to say, at the beginning of) whichever is the later of the following days:

- a. the date or day on which the Bail (Drug and Alcohol Testing) Amendment Act 2016 (under section 2(1)(a) or (b) of that Act) comes into force; and
- b. the day after the date of first publication of the *New Zealand Gazette* notice by which these rules are made.

3. Interpretation—(1) In these rules:

Act means the Bail Act 2000.

alcohol breath testing procedure means testing carried out by means of a breath screening device or an evidential breath testing device in accordance with paragraph 5.

breath screening device means each of the following kind of devices:

- a. Dräger 6510;
- b. Dräger 7510NZ.

defendant means a person who is on bail (other than Police bail) with a drug and alcohol condition.

evidential breath testing device means each of the following kind of devices:

- a. Dräger 7510NZ;

b. Dräger 9510NZ.

SCRAM CAM means a device of a kind that is a Secure Continuous Remote Alcohol Monitoring Continuous Alcohol Monitoring (SCRAM CAM) device.

(2) Words and expressions defined in the Act, and used but not defined in these rules, have the same meaning as in the Act.

4. Procedures—In accordance with sections 30T-30X of the Act, the following procedures are prescribed as types of testing procedures that a person with a drug or alcohol condition may be required to undergo:

- a. An alcohol breath test, as described in rule 5;
- b. a drug, alcohol or psychoactive substance urine test, as described in rule 6; or
- c. the requirement to wear an electronic monitoring device, as described in rule 7.

5. Alcohol breath test

Alcohol breath testing procedure

1. The procedure for carrying out an alcohol breath test using a breath screening device, or an evidential breath testing device, as the case may be, is prescribed as follows:

Breath screening tests carried out by means of a Dräger 6510 must be carried out in the following manner

- a. Step 1: Preliminary action
 - i. The authorised person must observe the display panel showing **READY**. If the display panel does not show **READY**, the authorised person must depress the **OK** button briefly and repeat this Step 1(i).
 - ii. The authorised person must, before or after Step 1(i), attach a mouthpiece to the breath inlet port of the device.
- b. Step 2: Breath screening test
 - i. The person being tested must, when instructed by the authorised person, blow through the mouthpiece at a pressure and for a period to provide a specimen of breath sufficient for analysis.
 - ii. After the person being tested stops blowing, the authorised person must observe the display panel of the device.
 - iii. If the display panel shows **Insufficient Volume**, it means that no specimen of breath sufficient for analysis has been provided. In that case, the authorised person may depress the **OK** button on the device, and repeat Step 1 and this Step 2, unless the authorised person believes the person being tested has failed or refused and will continue to fail or refuse to undergo the test without delay.
 - iv. If the display panel shows **NO ALCOHOL** or **ALCOHOL**, during or after the purported breath screening test, it means the **OK** button has been depressed during the test. In that case, the authorised person must depress the **OK** button on the device, and repeat Step 1 and this Step 2.
- c. Step 3: Results of test
 - i. If the display panel shows **Pass**, the result indicates that the test is negative. As a confirmation, the indicator light will be a steady green for a short time.
 - ii. If the display panel shows **Under 250**, the result indicates that the person's breath contains alcohol but the proportion of alcohol in the person's breath does not exceed 250 micrograms of alcohol per litre of breath. As a confirmation, the indicator light will be a steady amber for a short time.
 - iii. If the display panel shows **250+Over**, the result indicates that the proportion of alcohol in the person's breath exceeds 250 micrograms of alcohol per litre of breath but does not exceed 400 micrograms of alcohol per litre of breath. As a confirmation, the indicator light will flash red and amber alternately for a short time.
 - iv. If the display panel shows **Over 400**, the result indicates that the proportion of alcohol in the

person's breath exceeds 400 micrograms of alcohol per litre of breath. As a confirmation, the indicator light will be a steady red for a short time.

Breath screening tests carried out by means of a Dräger 7510NZ must be carried out in the following manner:

- a. Step 1: Preliminary action
 - i. The authorised person must select **SCREENING** from the display panel, then depress the **OK** button.
 - ii. The authorised person must, when prompted to do so by the device, attach a mouthpiece to the breath inlet port of the device.
- b. Step 2: Breath screening test
 - i. The person being tested must, when instructed by the authorised person, blow through the mouthpiece at a pressure and for a period to provide a specimen of breath sufficient for analysis.
 - ii. After the person being tested stops blowing, the authorised person must observe the display panel of the device.
 - iii. If the display panel shows **Insufficient Volume**, it means that no specimen of breath sufficient for analysis has been provided. In that case, the authorised person may depress the **OK** button on the device, and repeat Step 1 and this Step 2, unless the authorised person believes the person being tested has failed or refused and will continue to fail or refuse to undergo the test without delay.
- c. Step 3: Results of test
 - i. If the display panel shows **Pass**, the result indicates that the test is negative. As a confirmation, the indicator light will be a steady green for a short time.
 - ii. If the display panel shows **Under 250**, the result indicates that the person's breath contains alcohol but the proportion of alcohol in the person's breath does not exceed 250 micrograms of alcohol per litre of breath. As a confirmation, the indicator light will be a steady amber for a short time.
 - iii. If the display panel shows **250+Over**, the result indicates that the proportion of alcohol in the person's breath exceeds 250 micrograms of alcohol per litre of breath but does not exceed 400 micrograms of alcohol per litre of breath. As a confirmation, the indicator light will flash red and amber alternately for a short time.
 - iv. If the display panel shows **Over 400**, the result indicates that the proportion of alcohol in the person's breath exceeds 400 micrograms of alcohol per litre of breath. As a confirmation, the indicator light will be a steady red for a short time.

Evidential breath tests carried out by means of a Dräger 7510NZ or a Dräger 9510NZ must be carried out in the following manner:

- a. Step 1: Start of testing sequence

The authorised person must depress the button for starting the test.
- b. Step 2: Evidential breath test

The authorised person must carry out the testing sequence in accordance with the instructions that appear on the display panel of the device:

 - i. the authorised person must attach a new mouthpiece to the breath inlet port or tube of the device and instruct the person being tested to blow through the mouthpiece;
 - ii. the person being tested must, when instructed by the authorised person, blow through the mouthpiece at a pressure and for a period to provide a breath specimen sufficient for analysis; and
 - iii. Step 2(i) and Step 2(ii) must be repeated, as required, until the testing sequence is completed.
- c. Step 3: Results of test
 - i. The result of the Evidential Breath Test will appear on the display panel of the device.
 - ii. If the Evidential Breath Test Result is "Incomplete Test", the test has been unable to be carried out,

and Step 2 can be repeated.

Results of the alcohol breath test

2. Following a positive result on an alcohol breath test using a breath screening device the person being tested may be required to undergo a second alcohol breath testing procedure, using an evidential breath testing device, or urine test to confirm the consumption of alcohol.

How often testing procedure may be carried out

3. A person being tested will not be required to undergo an alcohol breath testing procedure for the purpose of this Act more than once a day, unless the authorised person has reasonable grounds for believing that the person being tested has consumed alcohol.

6. Drug, alcohol or psychoactive substance urine test

Testing procedure

1. The procedure for carrying out a drug, alcohol or psychoactive substance urine test is:
 - a. Step 1: The person being tested is required by the person carrying out the testing procedure to accompany that person to a private area with a toilet where it is likely that it will be reasonably practicable for the person being tested to undergo testing and that affords the person being tested as much privacy and dignity as is reasonably practicable.
 - b. Step 2: The person being tested will be given a receptacle. The person being tested must, in full view of the person carrying out the testing procedure, urinate into the receptacle until it contains an adequate volume to enable the temperature of the sample to be assessed and testing to be conducted.
 - c. Step 3: The urine in the receptacle is sent to a laboratory for testing.
 - d. Step 4: If the result is positive for a drug, alcohol or psychoactive substance, the person tested may elect to have part of the urine sample independently tested in a different laboratory certified to conduct the testing, provided that person meets in advance all actual and reasonable costs.
2. The person carrying out the test must be the same sex as the person being tested unless the person being tested consents otherwise.
3. Collection and analysis of samples collected will be done in accordance with all relevant and applicable laws and standards, including but not limited to:
 - a. AS/NZS 4308:2008: Procedures for specimen collection; and
 - b. AS 4760-2006: The detection and quantitation of drugs of abuse in urine.

How often testing procedure may be carried out

4. A person being tested will not be required to undergo a drug, alcohol or psychoactive substance urine test for the purpose of this Act more than once a day, unless the authorised person has reasonable grounds for believing that the defendant has been using alcohol or a controlled drugs or psychoactive substances.
5. A person who is required by notice to contact an automated system will not be required to do so more than once per day.

7. Monitoring devices—(1) The SCRAM CAM is prescribed as a type of drug or alcohol monitoring device that may be connected to a person with a drug or alcohol condition that prohibits the person from consuming alcohol (whether or not the condition also prohibits the person from using a controlled drug (as defined in section 3 of the Act) using a psychoactive substance, or both).

(2) The requirement to wear a SCRAM CAM drug or alcohol monitoring device for the purpose of continuous monitoring of a person's compliance with a drug or alcohol condition must be assessed at least once every 90 days.

Signed at Wellington this 8th day of May 2017.

MIKE BUSH, Commissioner, New Zealand Police.

General Section

Amendments to the Rules of New Zealand Greyhound Racing Association Incorporated

Pursuant to sections 29-32 of the Racing Act 2003, notice is given that the following rules of New Zealand Greyhound Racing Association have been amended effective from **29 May 2017**.

Overview

There have been a large number of amendments made to the rules, very few of which are substantive. The vast majority of amendments are minor and in the nature of tidy up changes to make the rules a comprehensive standalone document following the removal of the Constitutional Rules. For example, the rules have been renumbered and rules 5-17 have been brought back from an earlier version of the rules.

The substantive changes are:

Definitions

General Manager is no longer current and should be substituted as required through the rules with **CEO and his/her delegate**.

Warn Off means to direct that a particular person shall not be permitted to enter or remain on any part of the ground or premises where a Greyhound Meeting or trial is being held. **Warning off** and **Warned off** shall have corresponding meanings.

Rules

- 11.2, 11.3, 11.4 - Deleted. This rule was concerned with the allocation of prize money.
- 12.2 - Changed "Kennel Steward" to "Kennel Official".
- 19.1 - Removed the time restraint on nominations.
- 19.2 - Removed the manner of how nominations can be made.
- 24.1 - Changed to add that the winning percentages of prize money will be published from time to time in the New Zealand Greyhound Racing Association's magazine.
- 22.8 - Deleted. This rule was concerned with field size.
- 27.4 - Changed to allow the CEO to authorise an Invitation race.
- 59.7 - Deleted. This rule was concerned with notifying tribunal decisions in the magazine.
- 62.4c - Changed "himself" to "themselves".
- 79 - Deleted. This rule required a disqualified or Warned Off person to deliver their licence.

The rules of New Zealand Greyhound Racing Association can be inspected free of charge at their office 106-110 Jackson Street, Petone, Wellington.

Dated at Wellington this 10th day of May 2017.
